

## Plant List

### Offset Litho Printing Equipment

- Heidelberg Speedmaster SM1026 PS  
six colour  
B1 perfecting press
- Heidelberg Speedmaster SM102 FP  
five colour  
B1 perfecting press
- Heidelberg GT052 FP  
five colour  
B3 perfecting press
- Heidelberg SM52 ZP  
two colour  
B3 press

### Digital Printing Equipment

- HP Indigo 5500  
digital printing press
- Xerox DC260  
digital press
- Xerox DC250  
digital press with in-line finishing
- Epson 9880  
large format printer
- Epson 10600  
large format printer

### Design and pre-press

- Dainippon Screen Trueflow  
websever based workflow
- Dainippon Screen PT8100 Platesetter  
computer to plate system with online Kodak  
plate processor/stacker
- Proofsign Verio colour calibration system  
running to 12647-2 ISO Europe Coated 2  
(Fogra 39) standard
- Mac and PC workstations.  
Fully integrated cross platform design studio.

### Finishing

- Guillotining
- Fold-stitch-trim
- PUR binding
- Wire-binding
- Die-cut
- Crease and make up
- Lamination
- uv varnishing
- Foil-block and embossing
- Shrinkwrapping
- Handwork
